ENTERPRISE WEEK

Make £5 Blossom Launch!

Two of our Enterprise Club pupils headed to the Make £5 Blossom launch event to meet the local business they'll be teaming up with over the next five months.

Armed with big ideas and a start-up loan, our budding entrepreneurs are ready to get to work with the school Enterprise Team!

HUGE Congratulations Year 5 Winners!

HUGE congratulations to our Year 5s who absolutely smashed it at the "Make it Happen" Primary Enterprise Event!

Out of 160 pupils from across the area, our 30 children were split into three teams to compete. After a day of learning the "Big 13 Enterprise Skills" and pitching their event ideas to a panel of judges, one of our teams was crowned overall WINNERS!

What an incredible achievement. They have won a cash prize for the school to reinvest into school enterprise
